Via Italy & Greece...

Google Maps Via Bari, Italy:

Other Ferries are available to Igoumenitsa, Greece from Venice, Ancona & Brindisi.

The Italy/Greece route is the best route if you want to make a holiday from your trip. It's pleasant to drive, the scenery is nice all the way and you can enter Bulgaria in the South and South West. But this way costs a lot more due to the extra cost of the ferry crossing from Italy to Greece plus food, fuel etc.

A Vignette is needed for Switzerland, details here:

You'll also find details on the above site of the Tunnel Tolls.
